Folklore Country

En kollektion som förenar det bästa av två världar – traditioner från Dalarna möter den signifikativa energin från Nashville. Med en hyllning till svensk kultur och en mix av amerikansk country så blir det en spännande fusion av kurbits och cowboys.

Färgkartan är inspirerad från kurbitsmålningar och all-over printet är framtaget med just kurbitsformerna i åtanke. Sen har vi tolkat vår egen variant på en cowboy boot med applikationer som för samman de två världarna.

I detaljerna så har vi, för att anamma temat, använt oss en del av fransar och toffsar.

Lisa Sander x Kavat

A person wearing a black beanie, a light blue textured sweater, black pants, and black shoes is walking on a gravel path. The path is surrounded by tall grass and some small plants. In the background, there is a dense forest of bare trees, suggesting an autumn or winter setting. The text "WALK CAREFULLY ON MOTHER NATURE" is overlaid in white, bold, sans-serif font across the middle of the image.

A person with a backpack stands on a grassy hill, looking out over a vast landscape at sunset. The sky is a warm orange, and the horizon is visible in the distance. The foreground is filled with tall, golden-brown grass.

Thank you!
